Receive your bills online with BPAY View

Keep your bills under control with BPAY View

Does your mail pile up? Have you ever lost a bill? Or simply forgotten to pay on time? Well now there's a more efficient way to receive and manage your bills that doesn't rely on paper. BPAY View® is a service that lets you receive and view your bills through Internet Banking. Enjoy these benefits and more when you register today:

Easy access

You can look after your bills 24/7 over the internet from wherever you are.

Get organised

Have a summary of your bills and their due date in one place.

Choose how you pay

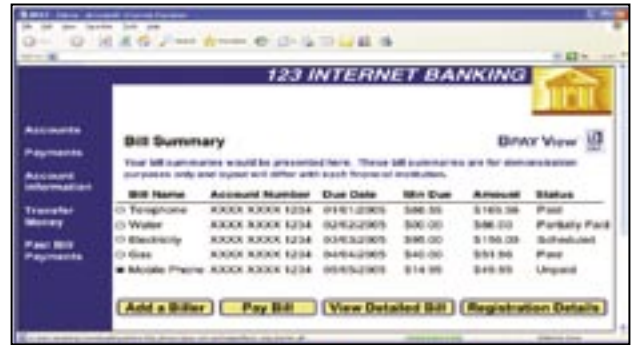

For your convenience, you can still use BPAY® if you are receiving bills via BPAY View and pay from your bank account, credit card or use any other method your biller allows.

Pay on time

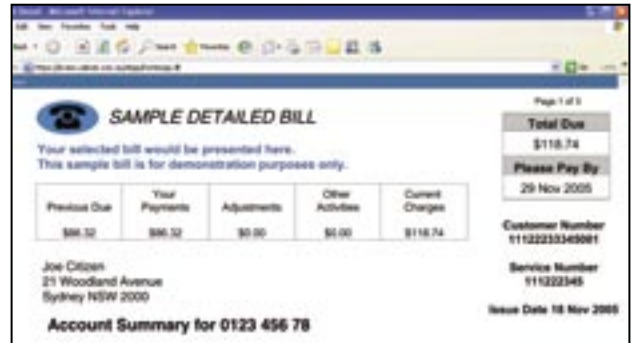

Make instant payments with BPAY or schedule payments for a later date*.

Be kind to the environment

Cut down on paper usage by choosing to receive your bills online.

How your BPAY View summary bills may be presented to you at Internet Banking.

You are able to click through from your summary bill to see your detailed bill.

Registration is as easy as can B_

1. Visit your financial institution website
2. Log on to internet banking
3. Select 'View Bills'
4. Follow the prompts to register your bill

Each bill must be registered individually and this should only take a few minutes. A list of participating billers is provided over the page. Please have your paper bill with you when you register and follow the prompts to supply the required details. Step-by-step registration guides for each biller are available on our website. If you need assistance or would like more information, visit bpay.com.au

*Internet banking fees may be payable.
