Keep your <Company Name> bills under control with BPAY View

Does your mail pile up? Have you ever lost a bill? Or simply forgotten to pay on time? Well there's a more efficient way to receive and manage your bills that doesn't rely on paper. BPAY View® is a service that lets you receive and view your bills through internet banking. Enjoy these benefits and more when you register today:

Easy access

You can look after your bills 24/7 over the internet from wherever you are and be notified when a new bill arrives.

Get organised

Have a summary of your bills and their due date in one place. If you want to view a detailed bill, it's only a click away.

Choose how you pay

For your convenience, you can still use BPAY® if you are receiving bills via BPAY View and pay from your bank account, credit card or use any other method your biller allows.

Pay on time

Make instant payments with BPAY or schedule payments for a later date*.

Be kind to the environment

Cut down on paper usage by choosing to receive your bills online.

Registration is as easy as can B

- 1 Visit your financial institution website
- 2 Log on to internet banking
- 3 Select 'View Bills' or the BPAY View tab
- 4 Follow the prompts to register your bill

Each bill must be registered individually and this should only take a few minutes. Please have your paper bill with you when you register and follow the prompts to supply the required details. Step-by-step registration guides for each biller are available on our website. If you need assistance or would like more information, visit bpay.com.au
