

A man in a light blue t-shirt and dark pants is carrying a woman in a pink tank top on his shoulders. They are in a hallway with yellow walls and white arches. The man is reaching up with his right hand towards a light switch on the ceiling. The woman is also reaching up with her right hand towards the same light switch. The scene is lit from the left, casting shadows on the wall.

# Take the hassle out of paying bills today

Every day more Australians are discovering BPAY®, the faster, more efficient way to pay bills. There's no denying its popularity and with features to make your life easier you can see why.

## The easy and safe way to pay

If you haven't already used BPAY it won't take long to learn. Simply access the internet or phone banking service you know and trust and you can pay just about all your bills in one go. (Over 14,000 to be precise.) You won't even have to leave your home or office.

## Make payments at any time, from any account

With BPAY you can pay bills when it suits you – seven days a week, day or night. Plus, with most internet and phone banking services you can also schedule payments for a later date and forget about them. BPAY also lets you choose which account you pay from – cheque, savings or credit card.\*

## To pay with BPAY follow these simple steps\_

1. Register for internet or phone banking with your financial institution, if you haven't already.
2. Look for the distinctive BPAY logo on your bills.

3. Log on to your internet banking site or call your phone banking service.
4. Select the BPAY or bill payment option and follow the simple instructions.
5. Wait for and record your receipt number.
