

BPAY

- BPAY is unique on the world stage – it is a critical **Australian payments network** linking individuals, businesses and Financial Institutions
- Owned by the four major Australian banks, BPAY is among Australia's **most recognised brands**, with its characteristically bold 'B' logo symbolising ease, convenience and security
- BPAY is **used 67%** of adult Australians and represents much more than just the best way to pay utility bills. It is now used for online purchases, top ups, and business to business payments
- There are more than **1.5 million BPAY payments** each business day **worth over \$1.3 billion** and **94%** of those payments are via Internet or mobile banking
- More than **45,000 bills** can be paid via BPAY which is offered by just about every Australian Financial Institution (over 150 members including the major banks)
- Last financial year (FY14/15), a **total of 368 million** payments, valued at more than **\$325 billion** were made through BPAY

BPAY VIEW

- Australia's premier digital mailbox which provides one stop convenience and security via internet banking
- Last financial year close to **5 million bills and statements** were presented through BPAY View
- There are currently **272 billers** that offer BPAY View through **57 Financial Institutions**
- Over **750,000 Australians** currently use BPAY View – with approximately **80% of users** say it is the easiest way of receiving bills
- There are over **1.1 million bill registrations** to the BPAY View service

It just makes sense
